Notice of AGM

January 2012

Publicity Officer: Fred Merrin

Thursday 12th January 2012 at 7.30pm
Spring Lodge Community Centre
Powers Hall End, Witham

The New Year is here and it is time to think of the approaching new fishing season and the Annual General Meeting. It is at the AGM that members must elect the Association's Officials and Committee, set the subscription level for next year and debate any required rule changes. It also provides an opportunity for the various Officials to report on the work of the Association's Committee this past year.

The AGM is also the opportunity for members to air grievances, question the Association's officials and make any recommendations for improving the Association in any way you think. Please make every effort to attend as your views are valued.

The AGM agenda will be provided at the meeting, but, in accordance with Association rules the Committee's recommendations for rule changes and subscription levels are circulated to give every member the opportunity to study them before the meeting.
